

HiRise 3

A shockingly small 3-in-1 charger.

HiRise 3 is a beautiful stand designed to wirelessly charge your iPhone, Apple Watch, and AirPods in a space smaller than an iPhone. The vertical space-saving design ends the clutter of multiple chargers, and uses only one plug.

HiRise 3 even holds iPhone upright and secure, so you can read notifications and tap the snooze without ever lifting your phone.

As a bonus, the base of HiRise 3 is not just for AirPods. It can wirelessly charge a second phone, too. Enjoy sweeter dreams knowing your three most important devices will be fully charged by morning. Order your HiRise 3 today.

What you'll love about HiRise 3:

- Compact 3-in-1 charger for iPhone, Apple Watch, and AirPods
- Space-saving design declutters your nightstand or desk
- Holds iPhone upright to display notifications and apps
- Compatible with all MagSafe iPhones (iPhone 12 and newer)
